Dear Sir:

Applicant in the captioned application hereby disclaims a terminal part of the term of any patent granted on the captioned application equivalent to the lesser of (a) the period of abandonment of the application, or (b) the period extending beyond twenty years from the date on which the above-identified application was filed in the United States or, if the application contains a specific reference to an earlier-filed application under 35 U.S.C. 120, 121, or 365(c), from the date on which the earliest such application was filed.
